Product Overview

Infinity Body Worn cameras bring together high quality video with portability which allows you to protect staff, property and people by attaching video surveillance to one's person.

Infinity Body Worn cameras allow for mobile surveillance and thus protection in high pressure situations including: Security Guards, Bouncers, Police, Enforcers or any situation where you may encounter a situation you need to record.

Features

Ultra HD

8MP 2160P 4K recording and photography providing clear images in real-time 30fps.

Infrared (IR)

Operate at night thanks to infrared illumination so that whatever or whoever you survey at night time is still visible and usable evidence.

Connected Recording

Thanks to docking stations you can upload your footage into a central bank and you can record on the go thanks to the Micro SD card support onboard.
